

A MEMBER OF THE METALS USA FAMILY

Metals USA has been supplying metal products and services to both commercial and defense industrial customers for over 50 years. As a QSLD certified supplier, we have conducted business with military and government customers through the Defense Logistics Agency (DLA) and Department of Defense (DoD) contracts.

This experience gives us the expertise to supply many types of metal across a broad spectrum of industries. Being a part of the Reliance Steel & Aluminum Co. family (which includes over 300 supply facilities) and working in concert with our many other partners gives us tremendous sourcing power.

Our mission is to provide outstanding customer service and exceptional technical expertise to fulfill our customers' needs.

I-Solutions Group

Meeting the Critical Needs of America's Most Demanding Customers.

For over 25 years, the United States government has depended on i-Solutions to reliably provide highly critical metals and metal services for various military and municipal agencies. In 2005, i-Solutions was selected as a Supply Chain Partner for the Defense Logistics Agency's Metals Program. In 2013 and 2014, they awarded i-Solutions with *'Superior Supplier' Gold Awards* for outstanding service and dependability.

Our customers have historically covered a wide range of government contracting. We have supplied materials for – and still work with:

- *NASA*
- *U.S. Army Corps of Engineers*
- *U.S. Army*
- *U.S. Navy*
- *U.S. Air Force*
- *U.S. Marines*
- *U.S. Coast Guard*
- *Federal Prisons*

Our experience as a government contractor gives us a high level of expertise and built-in urgency to deliver the right material, on time and on budget. No matter what industry your business is in, if it requires dependable metal procurement from coast to coast, we are your go-to source.
